Parking Laws of Montgomery County

To Our Neighbors in Clarksburg,

Parking Enforcement is one of the many responsibilities handled by your Police Department. As many of you know, parts of your community have lost on-street parking spaces due to emergency service access needs. The Police Department appreciates the voluntary compliance by many of you with the No Parking Anytime signs. We will continue to monitor the community with authorized volunteers and interns writing Warning Violations for the No Parking Anytime signs and other parking infractions that we observe.

We look for the citizens of our communities to observe and comply with all parking laws of Montgomery County. At this time the parking infractions in Clarksburg do not warrant a full-scale enforcement effort. However, if parking infractions should escalate such that they interfere with emergency access, the Police Department will become more proactive with fineable parking citations. Most fines are \$50.00 for each offense and the vehicle could also be subject to tow and storage fees. Below are the applicable parking laws, the most commonly violated of which are in bold.

<u>Mont County Code</u>	<u>Enforcement Wording</u>
31-12	No Parking Anytime in violation of Official sign
31-14	Parking of commercial vehicle/recreational vehicle in a residential area in violation of the law
31-17	No Parking within 35 feet of an intersection/intersecting roadway
31-18	No Parking within 5 feet of a driveway
31-20b1	No Parking within 15 feet of a fire hydrant
31-20 b10	No Parking opposite to the flow of traffic (left wheels to the curb)
